Dear Families,

Since March 16, 2020 Day-Star Christian Academy has been closed in response to Governor Kemp's executive orders mandating strict shelter-in-place and social distancing regulations. **We are excited to announce that Day-Star will reopen for normal business on June 1, 2020.**

Using the Centers for Disease Control and Prevention's protocol for reopening and Governor Kemp's lax social distancing regulations, we have determined that we are in a position to open our doors again.

Health and safety still remain our top priority. Therefore, in compliance with the CDC and Bright from the Start, we have put some new policies in place to protect families, children, and staff. Please find these new policies attached to this email.

#### What You Need to Know

- If a balance is owed, the full balance must be paid before service can resume for your child.
- We have temporarily suspended late tuition payment fees. All tuition fees must be paid before dropping your child off, otherwise service will be denied.

(Note: Because we are still limited in the number of children we can serve, our business is unable to take every child and provide service even when payment has not been made. Please make your payment via Cash App, money order, or credit card.)

- Georgia Pre-K 2019-2020 has ended. Parents of those who participated in that program are welcome to enroll their child in our summer program. Please contact us about how to do that. Our summer program begins on June 1, 2020.
- Our new website is scheduled to launch on May 31, 2020. You will be able to see your balance, make a payment online, and access our parent handbook, center policies, and other important documents.
